Principal report

Anticipated Shenton growth - discussion

Michael discussed the placement of the 5 new transportables that Shenton will receive at the beginning of 2023.

Scott and Mal met with the WA planning commission. Mal summarised the outcome of his meeting with the WA planning commission.

The P&C and Board have met with Michael to let him know that they are looking to contact the Minister.

A Draft letter has been produced and was presented by Mal for discussion.

Each aspect of the letter was discussed in depth.

Mal made minor adjustments based on the feedback received.

ACTION POINT

Restructure letter for issue.
